

Diamonds, Art Deco, Champagne & Canapés

Are you curious as to how diamonds are sorted, graded and priced, or ever wondered whether you should buy gold or platinum and how to look after them?

This is the perfect opportunity to find out as we are hosting an evening with Lucie Campbell Jewellers, Bond Street. Miss Pauline Chakmakjian will start the evening with a brief talk about Art Deco, followed by an insight into the glittering world of diamonds and precious stones by Richard Campbell, Lucie's son.

And, the evening would not be complete without the real thing... a number of models will be showing off a selection of jewels from their current collection!

Date: Thursday 16th October

Time: 7pm

Venue: The Ballroom

Tickets: £15 per person

Tickets include a glass of champagne and canapés

This is the perfect opportunity for you to wear your diamonds and precious gem stones!
